To

The Revenue Secretary to the
Chief Commissioner of Mysore

Sir

With reference to the query con-
tained in Para 2 of the Chief Commis-
sioner's Proceedings No. 3215^{*} of the 23rd
Ultimo, I have the honor to state that
the means of redress afforded to Ryots
in the Kingari Jaghir against illegal
seizure of their cattle are those provided
in Chapter IV of the Land Revenue Act
of 1911. The Deputy Commissioner, Hassan
District, reports that no complaints
of such acts have been preferred to
the District or Local Magistrates.

2. The realizations from the cattle Pound at Sringeri are intimated to the Amildar of the Taluk, Taluk, and for the year 1978 amounted to Rs 54-4-0.

3. It does not appear that any steps are taken to ensure that these sums are applied to public works in the jaghir. The presumption is that they are not. But the Sringeri Math is at present under an engagement to make certain contributions to the cost of those roads which are being carried out by the D.P.W. through the jaghir and in extension of Government roads.

I have the honor to be
